

Pediatric Cardiac Anaesthesia and Intensive Care: Dr. Dolly D. Hansen Hall

11th October 2019: Day 1

Dr. Dolly D. Hansen Hall

Free Paper Presentations

Chairpersons: Dr Sunny Anand, Dr Subin Sukesan, Dr Subramanian Chellappan, Dr Madhu Mahadeva

0800 - 0830 Hrs	Early & aggressive use of enteral nutrition with readily available calorie dense (1:1 Kcal) formula feed helps in quicker discharges & better post-operative catch up growth in infants requiring cardiac surgery	Dr. Amit Chitaliya
	Administration of fentanyl neuraxially reduces peak lactate levels and mean circulating levels on cardiopulmonary bypass	Dr. Arya James
	Early postoperative management of aortopulmonary collaterals in children following cardiac surgery	Dr. Balaganesh Karmegaraj

0830 - 1330 Hrs	Plenary Session
-----------------	------------------------

DEBATES: LIMITED RESOURCES - UNLIMITED PROBLEMS

Moderators: Dr Rupa Sreedhar, Dr Vipul Sharma, Dr Keshava Murthy, Dr Rakhi Balachandran

Time	Debate 1: Lowering Cost and Maintaining Quality- Are they mutually exclusive?	Speaker
1400 - 1410 Hrs	Speaker in Support of the Motion	Dr Viswas Malik
1410 - 1420 Hrs	Speaker Against the Motion	Dr Ian Jenkins
1420 - 1430 Hrs	Discussion	

Moderators: Dr Rupa Sreedhar, Dr Vipul Sharma, Dr Keshava Murthy, Dr Rakhi Balachandran

Time	Debate 2: Minimizing Risk and Maintaining Safety with Limited Resources	Speaker
1430 - 1440 Hrs	Possible: Speaker in Support of the Motion	Dr Suresh G. Nair
1440 - 1450 Hrs	Impossible: Speaker Against the Motion	Dr David Grant
1450 - 1500 Hrs	Discussion	

Moderators: Dr Vilson CV, Dr Jeril Kurien, Dr Nitya Bisarya, Dr Subin Sukesan

Time	Debate 3: Managing Low Output - Is ECMO Mandatory?	Speaker
1500 - 1510 Hrs	Yes: Speaker in Support of the Motion	Dr Kishore Jayanti
1510 - 1520 Hrs	No: Speaker Against the Motion	Dr Subramanian Chellappan
1520 - 1530 Hrs	Discussion	

Moderators: Dr Unnikrishnan KP, Dr Vilson CV, Dr Jeril Kurien, Dr Nitya Bisarya

Time	Debate 4: Managing PAH/PVH: Is Nitric Oxide Mandatory?	Speaker
1530 - 1540 Hrs	Yes: Speaker in Support of the Motion	Dr Kamlesh Tailor
1540 - 1550 Hrs	No: Speaker Against the Motion	Dr Balswaroop Sahu
1550 - 1600 Hrs	Discussion	

1600 - 1615 Hrs	Refreshments & Poster Viewing
-----------------	--

SYMPOSIUM ON MALNUTRITION

Chairpersons: Dr R Satish, Dr Manoj Sahu, Dr Vishal Singh, Dr Ruchik Sharma

Time	Presentation	Speaker
1615 - 1630 Hrs	Cardiac and Non-cardiac Cachexia: Assessment and Intervention	Dr Suresh Nair
1630 - 1645 Hrs	Pre-Operative Risk Stratification in presence of Malnutrition	Dr Rupa Sreedhar
1645 - 1700 Hrs	Post Operative strategies in Prolonged Intubation	Dr Rakhi Balachandran
1700 - 1715 Hrs	Role of early extubation in presence of Malnutrition	Dr Reena Joshi
1715 - 1730 Hrs	Discussion	

PANEL DISCUSSION

Moderator: Dr Vishal Singh

Time	Presentation	Panellist
1730 - 1750 Hrs	Management of Ventilator Dependent non-operated Cardiac Child	Dr Keshava Murthy, Dr Jeril Kurien, Dr Shankar Kadam

INTERESTING CASE DISCUSSION

Moderator: Dr Jigar Surti

Time	Presentation	Panellist
1750 - 1830 Hrs	Interesting Cases: 1. Perioperative Dilemmas and Challenges in an operated case of complex CHD- Dr Suhasinee 2. TAPVC Repair in hypoplastic left lung - Dr Pragya Sachan 3. CABG in Kawasaki disease in 2 year old child - Dr Abhishek Verma	Dr Nitya Bisarya Dr R Satish

Pediatric Cardiac Anaesthesia and Intensive Care

12th October 2019: Day 2

Free Paper Presentations

Chairpersons: Dr Sunny Anand, Dr Subin Sukesan, Dr Subramanian Chellappan, Dr Madhu Mahadeva

0800 - 0830 Hrs	Perioperative Transesophageal echocardiography in Ebsteins anomaly – A report of two cases	Dr Devarakonda Bhargava V
	Levosimendan vs milrinone in pediatric cardiac surgery	Dr Kaushik Jothinath
	To evaluate safety and efficacy of Intravenous Sildenafil in the perioperative management of pulmonary hypertension in patients undergoing congenital heart surgery – A prospective randomized study	Dr Pragya Sachan

0830 - 1330 Hrs

Plenary Session**LEADERSHIP, MANAGEMENT AND TEAM COMMUNICATION****Chairpersons: Dr Parvathi Iyer, Dr Praveen Neema, Dr Keshava Murthy, Dr Suresh G Nair**

Time	Presentation	Speaker
1400 - 1415 Hrs	In an Everchanging Landscape of Healthcare, should surgeons be the only leaders?	Mr Marco Pozzi
1415 - 1430 Hrs	Communication: Balance between scary silence and confusing cacophony!	Dr Ian Jenkins
1430 - 1445 Hrs	Simulation: Team Learning to Minimize risk	Dr David Grant
1445 - 1500 Hrs	Born without Managerial Skills: What to do when management is thrust upon you?	Dr Ian Jenkins
1500 - 1515 Hrs	Discussion	

TOF SYMPOSIUM: 120 YEARS OLD AND STILL VERY CHALLENGING**Chairpersons: Dr Rupa Sreedhar, Dr Vipul Sharma, Dr R Satish, Dr Madhu Mahadeva**

Time	Presentation	Speaker
1515 - 1530 Hrs	Systemico-pulmonary shunts	Dr Benedict Raj
1530 - 1545 Hrs	TOF with Absent Pulmonary Valve	Dr Unnikrishnan KP
1545 - 1600 Hrs	TOF with TAP in Infancy	Dr Ian Jenkins
1600 - 1615 Hrs	Adult TOF: Peri operative management of right ventricle failure	Dr Meena Trehan
1615 - 1630 Hrs	Pulmonary heamorrhage in TOF	Dr Parvathi Iyer
1630 - 1645 Hrs	Discussion	
1645 - 1700 Hrs	Refreshments & Poster Viewing	

SYMPOSIUM ON SEPSIS**Chairpersons: Dr Manoj Sahu, Dr Jigar Surti, Dr Kamlesh Tailor, Dr Subin Sukesan**

Time	Presentation	Speaker
1700 - 1715 Hrs	Challenges in putting Ideal to Practice	Dr Parvathi Iyer
1715 - 1730 Hrs	Pre-operative risk factors and ways to minimize Post-operative Sepsis	Dr Riyan Shetty
